How to submit an entry:

- Send in your entry form via E-mail and PayPal to: president@quarterponyassociation.com.
- Include a copy of your pony's registration papers. A clear photograph or scanned image is just fine.
- Send pictures for Halter Classes with your entry form. Other classes, include one photo for promotion.
- Record a high-quality video of your pony performing the required pattern for the class.
- **Do not edit the video in any way – including titles, graphics, music, etc.**
- Keep the pony and exhibitor in the video frame at all times.
- Upload the video and send link with your entries.
- You have two options: www.youtube.com or www.Facebook.com: QPA 2019 Online World Show.
- Name the video you pony's Full Registered Name, 2019 World Show and Class number. For example: Smokin Doubledutch 2019 World Show #18 Open Driving.
- If you can "mute" the video or turn off the sound. Otherwise, **do not edit the video** in any way.
- Helpful hints:
- Practice (your competition is!) You don't have to turn in the first recording, or even the 15th recording.
- Have great lighting. Outdoors or in a well-lit arena will serve you well.
- Don't wait!! Some ponies are getting fuzzy by the end of September. A smooth and shiny coat will place higher than a fuzzy coat.
- Read the rules. (The judges do!) All the information you need is on the QPA website: www.quarterponyassociation.com.
- Join QPA! QPA members enjoy some great benefits. All points from the QPA 2019 Online World Show apply to QPA Year End Awards as well as Titles such as Registry of Merit and Superior Registry.
